5. ADDITIONAL INFORMATION TO THE TENDER CONDITIONS

The public Contracting Authority to public tender: „**Production and supply of 50% cotton universal security paper to STC**“ for an under-limit public contract for supply within the scope of a simple under-limit tender pursuant to Section 53 of Act No. 134/2016 Coll., Public Procurement Act, as amended (hereinafter referred to only as the “Act”), hereby announces additional information to the tender conditions.

Question No.1:

How does STÁTNÍ TISKÁRNA CENIN, s.p. guarantee, that selected winning bidder will actually produce security paper with cotton with new exclusive motive of watermark and will not use for production already existing dandy roll, with motive of watermark, which is owned by STÁTNÍ TISKÁRNA CENIN, s.p. or with universal motive of a watermark owned by security paper producer?

This question is based on negative experience with complying with tender documentation by winning bidder in the past?

Response No.1:

Contracting Authority is not indicating in the tender documentation or in its annexes, that it requests new exclusive motive of watermark. The Contracting Authority requires to use exclusive watermark, which is owned by the STÁTNÍ TISKÁRNA CENIN, s.p.

Question No.2:

Annex No. 5 – Price model

Arch-combination of narrow track (approx. 40%) and wide track (approx. 60%)
