EXPLANATION OF TENDER DOCUMENTATION - II.

The Contracting Authority of public contract „**Production and Supply of Self-adhesive Paper for EU Visa Production**“ being awarded in a simplified below-threshold procedure pursuant to Act No. 134/2016 Coll., On Public Procurement¹, as amended (hereinafter referred to as “Act”), hereby explains the tender documentation in accordance with Sec. 98 of the Act.

Question 1

Our production department has some questions about paper specifications:

1. What does "wide path" mean? Is it a paper with a border (margin) without glue?
2. Please provide information about the grain direction for this paper: short grain or long grain.

Answer to question 1

The Contract Authority hereby specifies that "**wide path**" in “Annex No. 1 of the Framework Agreement” (hereinafter referred to as „Annex No.1”) **means “short grain”**. Please, find attached corrected Annex No. 1.

At the same time the Contracting Authority hereby requests you **to provide the corrected version of Annex No. 1 as part of your eventual tender.**

¹ Please find the English version of the Act under this link: http://www.portal-vz.cz/getmedia/ac061a0a-d8c1-4ff1-b8d2-691aa89269b1/Zakon-c-134_2016-Sb-o-zadavani-verejnych-zakazek.pdf Please note that unfortunately it is not the final version of the Act, which has been amended afterwards.

The Contracting Authority does not consider this explanation as alteration or supplementation of the tender documentation whose nature would demand extension of the time limit for the tender submission in accordance with Sec. 99 (2) of the Act.
