### EXPLANATION OF TENDER DOCUMENTATION – III.

The Contracting Authority of the over-threshold public contract „**Production and Supply of Chip Prelaminates**“ being awarded in an open procedure pursuant to Act No. 134/2016 Coll., On Public Procurement<sup>1</sup>, as amended (hereinafter referred to as “Act”), hereby explains the tender documentation in accordance with Sec. 98 of the Act.

The Contracting Authority **published on 25. 01. 2021 “Alteration of Tender Documentation No.II”**. Part of this “Alteration of Tender Documentation No. II” was **Annex No. 1 “Tender Documentation\_revII”**, which contained **Annex No. 1 – “Draft Framework Agreement\_revII”**.

After further check the Contracting Authority has found out, that changes in the Draft Framework Agreement related to the Alteration of Tender Documentation No. II, were recorded in the original version of the Draft Framework Agreement. Therefore, the change in delivery dates, which were based on the Alteration of Tender Documentation No. I, was not taken into account.

The Contracting Authority stated that it was an administrative mistake and hereby corrects the situation by publishing the complete actual Tender Documentation as **Annex No. 1. – “Tender Documentation\_revIII”**, which contains **Annex No. 1 – Draft Framework Agreement\_revIII”**. **The whole Tender Documentation is published in a visible revision mode.**

The Contracting Authority does not consider the above-mentioned explanation as a case where the scope of possible participants may be extended by the alteration or supplementation of the procurement documents, so the Contracting Authority will not extend the limit for tenders submission.

Time limit for the submission of tenders remains unchanged, that is 03. 03. 2021, 09:00 AM
