EXPLANATION OF TENDER DOCUMENTATION – I.

The Contracting Authority of the over-threshold public contract „**Production and Supply of 50% Cotton Universal Security Paper**“ being awarded in open procedure pursuant to Act No. 134/2016 Coll., On Public Procurement¹, as amended (hereinafter referred to as “Act”), hereby explains the tender documentation in accordance with Sec. 98 of the Act.

Question No. 1:	Answer to the question No. 1:
In Connection with the publication of a public contract for a security paper, I would like to get informed, it is possible to get the tender documentation also in the Czech language.	The tender documentation for this public contract is only available in English language. Nevertheless, it is possible for participants to submit a tender in the Czech language, incl. proof of qualification, as stated in the Art. 16.2 of the Tender Documentation.

The Contracting Authority does not consider this explanation as alteration or supplementation of the tender documentation whose nature would demand extension of the time limit for the tender submission in accordance with Sec. 99 (2) of the Act, since the Contracting Authority does not alter the tender conditions.

Kind regards,

Mgr. Zuzana Šenoldová
 Head of Public Procurement
 for the contracting authority
