CHANGE OF TENDER DOCUMENTATION V.

The Contracting Authority of the over-threshold public contract called „**Supply of Contact Chip Modules // Dodávky kontaktních čipových modulů**” being awarded in an open procedure pursuant to Act No. 134/2016 Coll., On Public Procurement¹, as amended (hereinafter referred to as “Act”), hereby changes the tender documentation in accordance with Sec. 99 of the Act.

Reasoning:

With this change of tender documentation, the Contracting Authority extends the deadline for submission of tenders due to the receipt of extensive questions on the tender documentation, which the Contracting Authority will not be able to deal with in time due to a company-wide vacation. For this reason, the Contracting Authority extends the deadline for submission of tenders by 4 working days. Subsequently, the Contracting Authority will extend the deadline for submission of tenders adequately according to the actual date of answering of the questions and the content of the answers.

Time limit for the submission of tenders:

- **original time limit for the submission of tenders:** until 18.07.2023, 9:00 AM
- **new time limit for the submission of tenders:** until 24.07.2023, 9:00 AM
- **opening of tenders:** after the expiry of the limit for the submission of tenders
