The Contracting Authority of the over-threshold public contract called „**Production and supply of prelaminated card inlays with windows for ID1 cards_reissue // Výroba a dodávky předlaminátů s okénkem pro ID1 karty_opakování**“ being awarded in an open procedure pursuant to Act No. 134/2016 Coll., On Public Procurement, as amended (hereinafter referred to as “Act”), hereby explains the tender documentation in accordance with Sec. 98 of the Act.

<u>Question No. 1:</u>	<u>Answer to the question No. 1:</u>
About another state with which the Czech Republic or European Union has concluded an international agreement on the basis of which access of economic operators from such states to the Public Contract being awarded is guaranteed. It means GPA country tenderer can join this tender?	The Contracting Authority states that according to Sec. 6 (3) b) of the Act, suppliers can participate on the basis of an international agreement on the basis of which access of suppliers from such states to the public contract being awarded is guaranteed, i.e. also tenderers seated in countries who are signatories (parties) of the current GPA (The Agreement on Government Procurement).

The Contracting Authority does not consider this explanation as alteration or supplementation of the tender documentation whose nature would demand extension of the time limit for the tender submission in accordance with Sec. 99 (2) of the Act, since the Contracting Authority does not alter the tender conditions.
