## EXPLANATION OF TENDER DOCUMENTATION IV.

The Contracting Authority of the over-threshold public contract called „**Production and supply of prelaminated card inlays with windows for ID1 cards\_reissue // Výroba a dodávky předlaminátů s okénkem pro ID1 karty\_opakování**“ being awarded in an open procedure pursuant to Act No. 134/2016 Coll., On Public Procurement, as amended (hereinafter referred to as “Act”), hereby explains the tender documentation in accordance with Sec. 98 of the Act.

<u>Question No. 1:</u>	<u>Answer to the question No. 1:</u>
We have become aware of your second call for tenders "Production and supply of prelaminated card inlays with windows for ID1 card". Can you tell us why the sheet price has decreased from €4,226 (in April) to €3,226? When looking through the documents, it was not clear what has changed in the requirements.	The Contracting Authority has decided to reduce the maximum tender price per sheet from 4,226 EUR to 3,226 EUR for economic reasons and based on the expected assumption of reaching this maximum tender price according to current market knowledge.
<u>Question No. 2:</u>	<u>Answer to the question No. 2:</u>
Approximate quantity for the duration of the contract is 250 000 pcs. One piece is not one sheet, but 1/15 sheet, right?	Yes, these are sheets, i.e., the approximate quantity for the duration of the contract is 250 000 sheets. Yes, one piece is 1/15 of a sheet.

The Contracting Authority does not consider this explanation as alteration or supplementation of the tender documentation whose nature would demand extension of the time limit for the tender submission in accordance with Sec. 99 (2) of the Act, since the Contracting Authority does not alter the tender conditions.
