| We kindly ask you to clarify our remarks in the attached Draft Contract. All requested modifications are highlighted in Word tracking mode. | The Contracting Authority states that it is not possible to accept changes to the Draft Contract that have been proposed in Word tracking mode by the supplier (Annex 1 hereof), as this would detract from the setting of the basic quality parameters of the device. The Contracting Authority states that the Draft Contract remains in its original wording. |

### **Conclusion:**

The Contracting Authority does not consider this explanation of tender conditions whose nature would demand extension of the time limit for the tender, since the Contracting Authority does not alter the tender conditions.
