EXPLANATION OF TENDER CONDITIONS III.

The Contracting Authority of the small – scale public contract „**Supply and service of the laser engraving personalization machine // *Dodávka a servis malého personalizačního stroje***“ being awarded pursuant to Section § 27 of Act No. 134/2016 Coll., On Public Procurement, as amended (hereinafter referred to as “Act”), hereby explains the tender conditions.

Question No. 1:	Answer to the question No. 1:
I would kindly ask you to confirm that for the above mentioned tender it is NOT required to submit a signed Draft Contract (Annex 1). We understand that there are a lot of green highlighted fields in the Draft Contract that must be completed before the official contract may be signed.	<p>According to the tender conditions, the draft contract must be submitted directly in the supplier's tender and filled in the yellow parts.</p> <p>According to the tender conditions, the draft contract does not have to be signed. The supplier by submission of the tender through an electronic instrument confirms that the tender has been submitted by the person authorized to undertake such acts and by submission of the tender the participant at the same time also agrees with the tender conditions stipulated by the Contracting Authority and the law.</p> <p>Green parts in the contract shall be completed in compliance with the tender of the supplier by the Contracting Authority before the final contract conclusion only with the winner of the public contract, ie. there will be prepared a new clean version of the contract to be signed by both parties.</p>

Annexes:

Not relevant.

Conclusion:

The Contracting Authority does not consider this explanation as alteration or supplementation of the tender documentation whose nature would demand extension of the time limit for the tender submission in accordance with Sec. 99 (2) of the Act, since the Contracting Authority does not alter the tender conditions.
