CHANGE OF TENDER DOCUMENTATION VII.

The Contracting Authority of the over-threshold public contract called „**Supply of a passport production line including numbering** // *Dodávka pasové linky včetně číslování*” being awarded in an open procedure pursuant to Act No. 134/2016 Coll., On Public Procurement, as amended (hereinafter referred to as “Act”), hereby explains and changes the tender documentation in accordance with Sec. 99 of the Act.

Questions about the technical specification:

<u>Question No. 1:</u>	<u>Answer to the question No. 1:</u>
<p>Thank you very much for allowing us to participate in the above-mentioned tender regarding the supply of a passport production line including numbering. We would like to take this opportunity to request an extension of the tender submission deadline, as mentioned in § 19.1 of the Tender Documentation, to May 28, 2024, at 9:00 AM.</p> <p>We are in the final stages of preparing the bid and require additional time to evaluate the terms and conditions of both Binding Draft Contracts.</p>	<p>The Contracting Authority states that it will reasonably extend the deadline for submission of tenders based on the received question. Due to the high frequency of questions received regarding this public contract, which may also result in changes to the tender documentation and the related necessary extension of the deadline for submission of tenders for each such change, the Contracting Authority decided to extend the deadline for submission of tenders by 10 days i.e. until 23.05.2024, instead of the required 15 days.</p> <p>Further questions, including requests for extensions of the deadline for submission of tenders, may be sent at least 8 days before the deadline for submission of tenders.</p>

Conclusion:

The Contracting Authority does consider above mentioned answers as alteration of supplementation of the tender documentation and therefore the Contracting Authority extends the deadline for submission of tenders accordingly.

Time limit for the submission of tenders:

- **original time limit for the submission of tenders:** until 13.05.2024, 9:00 AM
- **new time limit for the submission of tenders:** until 23.05.2024, 9:00 AM
- **opening of tenders:** after the expiry of the limit for the submission of tenders
