EXPLANATION OF TENDER DOCUMENTATION III.

The Contracting Authority of the over-threshold public contract called „**Supply and Service of the Enveloping Machine for ID1 Cards // Dodávka a servis obálkovací linky pro ID1 karty**“ being awarded in an open procedure pursuant to Act No. 134/2016 Coll., On Public Procurement, as amended (hereinafter referred to as “Act”), hereby explains the tender documentation in accordance with Sec. 98 of the Act.

Answer to the question No. 1:

We have our documents almost ready and I wanted to know, where should we submit the relevant documents? Per E-Mail or per DHL with Original signed and stamped documents?

I am very sorry, but we are not so familiar with EU public tenders.

Answer to the question No. 1:

The Contracting Authority states that submission of a tender can only be made electronically via EZAK electronic instrument, according to the Tender Documentation.

Please carefully read **Art. 19 of the Tender Documentation “FORMAL REQUIREMENTS FOR PROCESSING OF THE TENDER”**.

Conclusion:

The Contracting Authority does not consider this explanation as alteration or supplementation of the tender documentation whose nature would demand extension of the time limit for the tender submission in accordance with Sec. 99 (2) of the Act, since the Contracting Authority does not alter the tender conditions.
