(hereinafter referred to as „Contracting Authority“)

EXPLANATION OF TENDER DOCUMENTATION V.

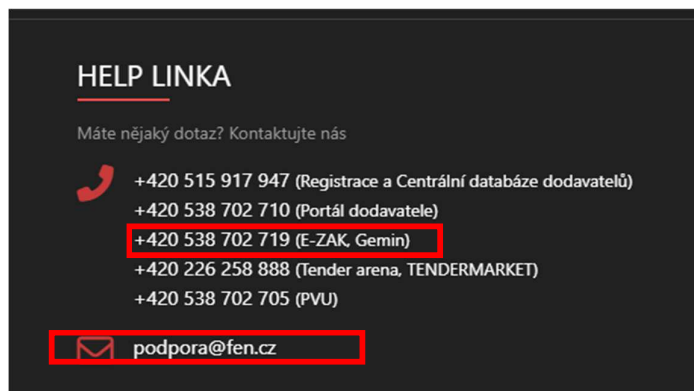

The Contracting Authority of the over-threshold public contract called „**Supply and Service of the Enveloping Machine for ID1 Cards // *Dodávka a servis obálkovací linky pro ID1 karty***” being awarded in an open procedure pursuant to Act No. 134/2016 Coll., On Public Procurement, as amended (hereinafter referred to as “Act”), hereby explains the tender documentation in accordance with Sec. 98 of the Act.

Question No. 1:

The only missing item is the electronic signature based on a qualified certificate.
Where do I get it?
I have an electronic signature issued by D-Trust which is part of German Government Printers (Bundesdruckerei).
Is the same organization like STC.

Answer to the question No. 1:

The Contracting Authority states that FEN customer support can help you with this.:

Or EZAK customer support: podpora@ezak.cz

Conclusion:

The Contracting Authority does not consider this explanation as alteration or supplementation of the tender documentation whose nature would demand extension of the time limit for the tender submission in accordance with Sec. 99 (2) of the Act, since the Contracting Authority does not alter the tender conditions.
