EXPLANATION OF TENDER DOCUMENTATION I.

(next just „this explanation“)

The Contracting Authority of the below-threshold public contract for supplies entitled „**Production and Supply of Self-adhesive Paper for EU Visa Production // Výroba a dodávky samolepicího papíru pro víza EU**“ hereby, in accordance with Section 98 of the Act, clarifies the Tender Conditions as follows:

Question 1**Technical qualification**

We don't have ISO 14298 Management of security printing processes" or "Intergraf 15374 Security management system for suppliers to the security printing industry". We follow these accreditations closely, but we do not have these certifications.

Do we assume correctly that we can still take part in the tender? And that if successful a Security Audit will be necessary before the signing of this Framework agreement?

Answer 1

Yes,

in accordance with clause 10.4.3 of the Tender Documents, the tenderer may demonstrate technical qualification by means of an affidavit, which is attached as Annex 2 to the Tender Documents. If the tenderer is selected, a security audit will be carried out to verify the supplier's demonstration of qualification before the contract is signed.

The deadline for submission of tenders remains unchanged and is set at: **3. 4. 2025, 9:00 AM.**
