EXPLANATION OF TENDER DOCUMENTATION II.

(hereinafter the „**this explanation**“)

The Contracting Authority of the over-threshold public contract called „**Intaglio Printing Plates incl. 3D Scanning, DLE Masterplate + Ni Alto // Tiskové desky pro Intaglio vč. 3D skenování, DLE master desky + Ni Alto**“ being awarded in an open procedure pursuant to Act No. 134/2016 Coll., On Public Procurement, as amended (hereinafter referred to as “Act”), hereby explains the tender documentation in accordance with Sec. 98 of the Act.

The request for explanation of the tender documentation was delivered to the Contracting Authority after the deadline stipulated in Section 98(3) of the Act, therefore, the Contracting Authority is under no obligation to publish this explanation of the tender documentation within the time limit set out in Section 98(1) of the Act.

Question 1

There is a draft contract in the tender material. Do you require this to be signed on our side? We are asking this, because all the data referring to our company should be filled the following way: [the Contracting Authority shall complete with the data from the Tender] and a CEO will not sign a blank document, where the data is not filled in.

Answer 1

According to Sec. 12.2 of the Tender Documentation, the Contracting Authority **does not require submission of the Draft Contract** in the Participant's Tender:

*„The Participant **is not required to submit the Draft Contract in its tender**. The Draft Contract shall be completed prior to the conclusion of the contract with the selected supplier and the Contracting Authority. **However, the Participant shall be required to submit a written affidavit in the tender that it fully and unconditionally accepts the Draft Contract and to provide the information required for the completion of the Draft Contract prior to its mutual signature in the scope of the Annex 2 of this TD (Tender Cover Sheet).**“*
